

FREE LANDSCAPE DESIGN

As one Fired-Up Sister, I would like to offer you FREE consultation to assist you with the design of your landscaping project (\$2000 - \$5000 value)

My husband and I will design your Lanscaping and Hardscaping at no cost

- We both studied Architecture and we work as a team. We will be happy to show you our house that is in the process of being built in Rancho Bernardo.
- My husband has designed homes and buildings in Mexico, Canada and the United States (Rancho Bernardo, Rancho Santa Fe, La Jolla, Carlsbad, Fallbrook, Escondido and Pacific Beach). I helped him with the landscape design.

We will be happy to recommend the kind of plants for your home taking in consideration your wishes, the soil, the orientation and the humidity. We also would recommend an irrigation specialist and nurseries that give a special discount for the Fired-Up Sisters.

Gardening is my passion !
